

TSUMEB MUNICIPALITY

PUBLIC NOTICE

SUBJECT: MAJOR MAINTENANCE AND REPAIR WORKS ON THE GROOTFONTEIN ZINC WATER TOWER

The Tsumeb Municipality wishes to inform all residents and stakeholders that major maintenance and repair work will commence on the Grootfontein Zinc water tower, effective from Thursday, 2nd May 2024.

This operation is anticipated to be completed within approximately two months.

Purpose of the Maintenance: The maintenance and repair work are essential to ensure the continued functionality and safety of the water tower infrastructure, which is leaking.

Consequences of the Operation: During this period, there will be a bypass of the major pipe, which may result in low level of residual pressure within the water system. This increased pressure carries the risk of potential pipe bursting.

Affected Areas: Residents in the following streets will be impacted by this operation:

- Kudu Street
- Gemsbok Street
- Springbok Street
- Eland Street
- Duiker Street
- Steenbok Street
- 15th to 19th Roads

Precautionary Measures: Residents are recommended to monitor water pressure levels and to report any abnormalities or concerns to the Tsumeb Municipality promptly.

Contact Information: For any inquiries or assistance regarding this maintenance operation, please contact the Tsumeb Municipality Water Supervisor, Mr. Lukas Muunda at 067 221004/ 221056/7 or 0814731224.

We appreciate your cooperation and understanding during this essential maintenance period. Together, we strive to maintain the integrity and efficiency of our water supply infrastructure for the benefit of all residents.

Thank you for your attention to this matter.
